Ushering the God Of Wealth 2009

Lunar New Year falls on 26th January 2009.

It is the start of year for horoscope OX. Auspicious hours from 11pm – 1am & 3am - 9am, to usher the God of Wealth on the first day of Lunar New Year.

Those born in the year of **Ox, Dog** and **Goat** are not advisable to usher the God of Wealth into the house on this day as there is a conflict. If the **Ox, Dog** and **Goat** want to usher the God of Wealth on this day, the auspicious time is from 11pm – 1am. There is an auspicious constellation present at this timing that will ward off ill effects and bring luck to the three horoscopes.

Directions to usher God of Joy (Xi-Shen) is Southwest & God Of Nobility (Gui-Shen) is South.

The **God of Joy** brings marriage, romance and those who longs for children.

The **God of Nobility** brings benefactors and improves human relations.

Directions to usher God of Wealth (Cai-Shen) is East.

The **God of Wealth** brings in riches, promotions, increment, profits in business and career development.

You can pray in 1 direction to usher the 3 Gods. If you are interested to know the procedure in ushering the God of Wealth, Master Gwee will be glad to provide you free guidance.

Direct Conflict with the God of Year (犯太岁)

Those born in the year of **OX** have a direct conflict with the God Of Year (犯太岁). If one offends the God of Year, there will be endless troubles for the entire OX Year 2009. However, you can neutralize the ill effects by wearing a **RAT** pendant. It is best to combine the pendant with “**Jade Emperor Chant**” as it will increase the power of the auspicious item. Fulu Geomancy Centre offers this special service at S\$38.
